ALLIANCE LTD

**Friends**  
OF THE ALLIANCE

## **Friends of the Alliance is united by a passion for improving the health and wellbeing of the people of rural and remote Australia.**

Friends is a network of people and organisations that supports the objectives of the [National Rural Health Alliance](#), Australia's peak non-government organisation for rural and remote health.

The Vision of the National Rural Health Alliance is "... good health and wellbeing in rural and remote Australia".

The Alliance brings together the voices and commitment of [35 Member Bodies](#) to improve the health and wellbeing of the 7 million people in rural and remote Australia.

In order to strengthen the consumer voice, Friends of the Alliance has created a new membership category for health consumers and carers at no cost.

As a Friend you will be supporting the work of the National Rural Health Alliance; connecting with other likeminded rural and remote people and organisations; and increasing the rural and remote health consumers and carer voice.

### **Benefits of becoming a Friend**
