VISION (page 6)

South Australians experience the best health in Australia

What else should be considered in focusing on our state's health priorities for the next five years? (250 words)

Trusted (page 22)

South Australia's health system is trusted by the community to respond appropriately whenever they need care, treatment, advice, guidance and or support to optimise their health.

Do you feel that these deliverable actions sufficiently describe how SA Health will deliver on the TRUSTED theme?
What would you add or change? (250 words)

Targeted (page 23-24)

South Australia's health system provides services and programs which are guided by evidence relating to population need, disease prevalence, service gaps, emerging challenges and variation in experience and outcomes at individual, family and community level.

Do you feel that these deliverable actions sufficiently describe how SA Health will deliver on the TARGETED theme?
What would you add or change? (250 words)

Tailored (page 25-26)

South Australia's health workforce is informed by evidence and tailors the care, treatment, advice, guidance and support they offer in accordance with the expressed wishes of the individual, family and community with whom they are working.

Do you feel that these deliverable actions sufficiently describe how SA Health will deliver on the TAILORED theme?
What would you add or change? (250 words)

Timely (page 27)

Everyone working in South Australia's health system recognises that time is valuable for all members of the community and seek to minimise waiting in all interactions.

Do you feel that these deliverable actions sufficiently describe how SA Health will deliver on the TIMELY theme?
What would you add or change? (250 words)

Final thoughts

Please provide any other comments or feedback on the South Australian Health and Wellbeing Strategy Summary framework for consultation (500 words)

Thank you for your input
